

For Businesses

We can custom build weld training curriculums, for single skill or multi skill training for your welding work force at your site or at our facility. Our curriculum is based on skill building methodology, where we create an environment for accelerated active learning.

Approved Testing Agency

We are a Los Angeles Department of Building and Safety (LADBS) Approved Testing agency for various materials, and processes including Structural Steel, Light Gage, Structural Aluminum, and Structural Stainless Steel. Call us to schedule a testing appointment.

For Individuals

At **SCWTTC** we provide students with the technical, and hands-on skills required to become marketable candidates for employment in the metal fabrication and welding industry, through classroom activities and practical hands on shop experience.

Our emphasis on career technical education is the foundation for our curriculum, we serve adults seeking carrier technical training, in the areas of welding, fabrication and inspection. We help student achieve their vocational educational and personal enrichment goals.

Call us to schedule an appointment, we can help you develop an educational plan that will help you achieve your educational goals.

Southern California Welding Training & Testing Center

(805) 486-8700

Our mission at **SCWTTC** is to educate and empower adult students, of all backgrounds to meet their goals through high quality training, current industry practices, and affordable career technical education.

COURSE CATALOG

WLDG 1101 OAW

(Running a bead)

WLDG 1102 GMAW I

(The basics flat and horizontal)

WLDG 1103 GMAW II

(Advanced techniques vertical & overhead)

WLDG 1104 GMAW III

(Tubing)

WLDG 1105 GMAW IV

(Certification preparation)

WLDG 1106 GTAW I

(TIG The basics steel)

WLDG 1107 GTAW II

(TIG advanced aluminum)

WLDG 1108 GTAW III

(TIG advanced stainless)

WLDG 1109 GTAW IV

(TIG expert tubing)

WLDG 1110 SMAW I

(Reading the puddle fundamentals)

WLDG 1111 SMAW II

(Advanced plate 3G and 4G)

WLDG 1112 SMAW III

(Advanced pipe downhill)

WLDG 1113 SMAW IV

(Expert pipe uphill)

COURSE CATALOG

WLDG 1114 GTAW V

(Expert bevel pipe)

WLDG 1115 FCAW I

(Basic flux core plate)

WLDG 1116 FCAW II

(Advanced flux core bevel plate)

WLDG 1117 FCAW III

(Expert certification preparation)

WLDG 1118 FABRICATION I

(The fundamentals)

WLDG 1119 FABRICATION II

(Working with tubing)

WLDG 1120 FABRICATION III

(Working with pipe)

WLDG 1121 FABRICATION IV

(Working with sheet metal)

WLDG 1122 LADBS

(Certification preparation)

WLDG 1123 BLUEPRINT I

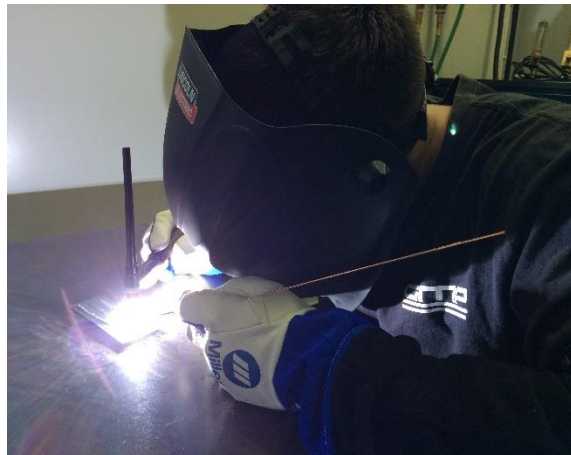

(Introduction and basics)

WLDG 1124 BLUEPRINT II

(Welding fundamentals)

WLDG 1125 BLUEPRINT III

(Welding blue prints)

Welder Performance Qualification

We are an independent testing facility approved to administer Welder Performance Qualification to several codes including.

- ASME Section IX Pressure Vessel,
- API 1104 American Petroleum Institute
- American Welding Society AWS D1.1 Structural Steel
- AWS D1.2 Structural Welding Code Aluminum
- AWS D1.3 Structural - Sheet Steel
- AWS D1.5 Bridge Welding Code
- AWS D1.6 Structural Welding Code Stainless Steel
- AWS D17.1 Specification for Fusion Welding for Aerospace Applications.

Call us to schedule a testing appointment.

CLASS HOURS

Day 8:00 AM - 4:30 PM

Evening 6:00 PM - 9:30 PM
